

The following positions are to be filled at the
2017 Pleasant View City's Municipal Elections:

<u>Office</u>	<u>Term</u>
Mayor	4-yr term
City Council	4-yr term
City Council	4-yr term

Qualifications for a candidate are:

1. Registered voter.
2. Resident of the Pleasant View for a period of 12 consecutive months immediately preceding the date of the election.
3. No mentally incompetent person, any person convicted of a felony, or any person convicted of treason or a crime against the elective franchise may not hold office in this state until the right to hold elective office is restored.

To become a candidate a Declaration of Candidacy shall be filed in person at the City Hall between June 1st and 7th on Monday thru Friday from 8:00 AM to 5:00 PM.

Pleasant View City CERT Training

Another round of emergency response training will begin in March. This training is required for our block captains, but it is open to anyone who is interested. The simple skills taught during training prepare people to effectively help their families and neighbors in disaster situations. The more people who have these skills the better our city can deal with a disaster. The classes will be on Thursday evenings from 6:30 until about 9:30 in the basement of the City Office Building. Disaster preparedness and fire suppression will be taught on March 16th, disaster triage and medical treatment on March 30; disaster psychology and search and rescue on April 13th, and team organization and communication on April 27th. Training ends with a mock disaster on May 11th. Classes are hands-on, fast-paced and interesting. If you're interested at all in preparedness, please come. Register by sending your name, address and phone number to PVCERT@comcast.net.

Important Dates!

- February 20: President's Day Holiday recognized—City Offices Closed
- February 2 & 16: Planning Commission Meetings--6:00 pm
- February 14 & 28: City Council Meetings –6:00 pm

Pleasant View News

February 2016

Snow, snow, snow

Since we are experiencing a real Utah winter. Many problems are accompanied with that. Please keep some of the following in mind. Many of the streets seem to get smaller, more ice than usual, and increased travel times.

You may have noticed more and more potholes appearing throughout the City. This is primary due to the water seeping into the cracks in our roads, then with the freezing temperatures the asphalt pops out and a pothole appears. Please know that we are aware of this and will address these as weather and time permits.

We have filled several already, and almost as fast as we did those, twice as many appeared. With the appearance of these, several other problems are created. Such as, more road maintenance with in the City. As I drive though the City, I see several roads that will need attention come this spring.

If there is something you feel that should be addressed, please feel free to call the City office and inform us of the situation and we will address it.

Also, please keep in mind. The crew is working hard to keep the streets clear and salted during these storms. So that you are aware, much of this creates an overtime issue and increased costs to provide the level of service you have been accustomed to and deserve. If you have any concerns, questions or ideas please feel free to give me a call.

New City Employee...

The City has recently hired a new City Planner. His name is Bill Cobabe. If you have a minute and are in the City office. Please take a moment and introduce yourself and say hello!

Yours in service,

Mayor Toby Mileski
801-782-9111 (cell) tmileski@pleasantviewcity.com

Snow Removal Reminder

It is unlawful to shovel or snow blow snow from sidewalks and driveways onto City roads. This creates traffic hazards and causes damage to the plow trucks, costing the entire citizenry unnecessary money. If noticed by the PVPD, such action can result in a citation.

Baseball & Softball Information 2017

Registration for 3rd-9th grade begins March 1st, and ends March 31st

(Registration for PreK-2nd grade begins April 1st, and ends April 30th)

Register on-line at www.pleasantviewcity.com under the recreation tab at the top of the page

Resident registration is \$48 for 3rd-9th grade, jersey included

(Resident registration is \$35.00 for PreK-2nd, shirt included)

A \$10 Non-Resident fee will be added to the cost for all non-residents

NEW this year - Grades will be combined and 3rd grade will start kid pitch

Girls Softball - Grades 3rd-4th, 5th-6th, 7th-9th grades

Boys Baseball - Grades 3rd-4th, 5th-6th, 7th-9th grades

Teams will be selected using the Mutual buddy request system with half of one grade and half of the other grade. (ex. Half 3rd graders and half 4th graders)

Mutual buddy requests allow for each participant to request a friend to be on the same team, so long as that same friend requests the participant. For example, Joey requests Tommy during registration, and Tommy requests Joey. If the mutual buddies were paired during registration, then they are assigned to the same team.

Listing more than one friend request will be VOID—meaning no portion of the request will be honored. For example, Billy requests Joey and Tommy, and Tommy requests Joey. There won't be a guess made at who will be paired, those team members will be randomly assigned to a team.

After the mutual buddy requests are placed, **all other team member assignments are made by random placement**. We are excited for this change and believe this system will provide the opportunity to create a more level playing field in our recreation programs!

Buddy requests are the first thing taken into consideration when teams are created, however, parents and players need to remember that the person you requested may not be participating this year, and the request cannot be fulfilled. Although coach and buddy requests are important, they do not guarantee your position on a certain team; however, every avenue is exhausted before determining that a request cannot be fulfilled.

If you have questions, please contact the Recreation Coordinator Allison Christensen, at 801-827-0463 or achristensen@pleasantviewcity.com (Email preferred)
