June 24th- Founders Day (save the date!)

## MAYOR'S MESSAGE

A special thanks to all involved in the Easter Candy Plan B event. We called it Plan B because we had to change things up a little bit as we still had some snow and lots of water at the park. It still turned out to be an amazing event with 400 bags of candy given out and lots of Easter Bunny photos. Hopefully, we can return to the regularly organized chaos we call the candy grab event next year. I will remain cautiously optimistic even though Easter is early next year, falling on March 31st.

Last year in our May newsletter, I pleaded with everyone to start conserving water and you responded. Many of you converted mow strips and other yard areas to be water-wise. It is truly appreciated and will serve us all well into the future. This year there will be water everywhere and I would like to thank the hundreds if not thousands of neighbors that rallied throughout the city and helped with flooding issues. Thousands of sandbags have been filled and used, and certainly many more will need to be deployed. We have such a great city. Please stay vigilant, there is still a lot of water that needs to come down off of the mountain.

There will be potential flood danger well into June. Please be extra careful when you are helping out, we want everyone to stay safe. Children love to flock to disasters, so please watch carefully and let's keep them out of harm's way.

Planning for our Founders Day Activities is moving forward. It is crazy that it will be here in less than two months. Much more information will be pushed out to you soon. We are planning on bringing back the water slide this year because there should be plenty of water.

I am so proud to be able to represent such great citizens. Thank you so much for all you are doing and how you're adapting. Please continue to monitor and heed the advice given to help you stay safe from flooding.

I am committed to doing whatever it takes to ensure that Pleasant View remains the best place to not only grow up, but the best place to grow old.

## OPEN BURN PERMITS

It's that time of year again. Starting March 30th and ending May 30th, open burning season begins. Go to the link below to complete a burn permit application for yard cleanup. Remember to follow the rules of Open Burn; check the air index, have a method to extinguish the fire, and the fire needs to be out by dark. If you have any questions feel free to contact North View Fire at (801) 782-8159.

## PLEASANT VIEW PICKLEBALL COURTS

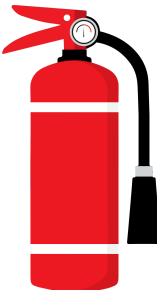

Pleasant View City is continuing to work in collaboration with the Pleasant View Pickleball Association (PVPA) to move forward with project planning and securing the necessary funding for the new Pickleball Tournament Courts. Nine additional courts are planned to be installed at Pleasant View Park. The City was recently awarded \$477,700 through a Weber County RAMP grant and several local business owners and residents have stepped up in a big way to contribute to the project through monetary and in-kind donations. With other grant applications under review, the City is hoping that additional funding can soon be secured to allow the project to move forward. Private donations are being actively accepted by PVPA.

For additional information about becoming involved in this effort, please contact the PVPA: 801-645-8881

## CERT FIRE EXTINGUISHER EXERCISE

The City's Community Emergency Response Team (CERT) recently met to test and recharge city fire extinguishers in preparation for any localized emergency response needs and efforts to assist with minor fire related concerns. CERT meets annually to ensure that fire extinguishers are readily available and safe to utilize in the event of an emergency.

If you have any questions or interest in becoming involved in the City's CERT group, please contact the City at 801-827-0468.

## PEDESTRIAN SAFETY

With the good weather hopefully here to stay, Pleasant View Police have noticed an increase in pedestrian and bicycle traffic. PVPD has also received concerns about vehicles not yielding to pedestrians in crosswalks and near schools. PVPD will be stepping up patrols near schools, parks, crosswalks and residential areas throughout the city. Police will be conducting pedestrian safety enforcement to help keep our citizens safe. Let's keep our city safe and prevent accidents by not driving while texting, impaired, or distracted.
