MAYOR'S MESSAGE

The wonderful snow that Utah is famous for has returned in stunning fashion. The mountains we are so blessed to see daily are truly majestic in their beauty. I am hoping that as winter turns to spring, we might have what I call a true spring: mild to moderate daytime temperatures with cool nights. This will allow all that wonderful snow to come off the mountain slowly and help ease concerns about flooding. I hope that is what happens, but I encourage you to do as the city is doing. We are preparing for worst-case scenarios such as lots of rain and above-normal temperatures. Please look around your property and see what potential problems could arise. If you think you might need any equipment, such as sump pumps or hand tools, I encourage you to take stock now as stores may be in short supply if the weather turns on us. Please check your gutters and any drains that you might have in the street by your house and clear any debris if you can. If you can't and have concerns that the drains in the street are compromised, please notify the city. The city is stocking bags for emergency sandbagging. If you experience flooding, we will try to help. The magnitude of any problems will determine how much help we can provide. Please plan on being as self-sufficient as possible. We have a truly great community, especially when it comes to neighbors helping neighbors. Don't be afraid to ask for help. I always believe that we can get through just about anything if we are prepared. It seems like if we are geared up and ready that the problems hardly ever materialize. I hope that will be the case and that spring will cooperate and that the water will come off the mountain very efficiently and effectively.

As I have mentioned before, spring is my favorite time of the year. It brings a wonderful time of renewal. The air will be cleaner, the landscape will begin to brighten, and people will once again be able to get out and enjoy the fresh air and sunshine. Blossoms will be coming. It just makes me feel renewed and ready to jump into summer. I hope each of you feels the same. Remember as we head outside for the coming spring, that you protect yourselves and especially your children from those deadly UV rays that Utah is so famous for. A simple sunburn now can come back to haunt them as skin cancer when they are older.

As always, I am committed to doing whatever it takes to ensure that Pleasant View remains the best place to not only grow up, but the best place to grow old.

WINTER PARKING REMINDER

Remember, from November 15 through March 15, it is
unlawful for any person to park a motor vehicle,
recreational vehicle, trailer, any other vehicle, or object
of any kind, on any public street or right of way while
snow plows are operating or while streets are snow or ice
covered. It is also unlawful to throw snow into the
street.

The plows need to be able to do their job and clear the
streets. Citations may be issued for failure to comply
with these important safety regulations. Thank you for
your cooperation.

Pleasant View Historic Homes "Then & Now"

Thursday, March 30, 2023 | 7:00 PM

***Pleasant View City Hall, 520 West Pleasant View Drive –
Basement***

Learn about Pleasant View's rich history and the homes that
contribute to the character of our great community. The
Pleasant View Heritage Foundation is sponsoring this event in
coordination with the City. The discussion includes review of a
prepared map featuring over 100 homes from the 19th Century.
These dwellings are still in existence today and are comprised of
structural materials including dirt, mud, logs, and brick. All are
invited to attend and participate in this event.
