AUGUST 2023

CALENDAR OF EVENTS

- August 3rd- Planning Commission
- August 8th & 22nd- City Council
- August 23rd- Back to School

MAYOR'S MESSAGE

Founder's Day was a huge success. A giant thanks to everyone that participated. I also want to give a special thank you to the City Council, City Staff, Youth City Council, Planning Commission, Heritage Committee, and the whole host of volunteers. They made the events of the week so enjoyable and successful.

Now on to a more serious topic. Recently, the United States Postal Service has issued warnings about outgoing mail. More specifically, they recommend not using your personal mailbox for outgoing mail. Please take this advice and use a blue USPS mailbox whenever possible. There is one located at the city offices on the east side of the building by the Police Department. There are security cameras at this location as well. There are also mailboxes at the USPS office located at 221 N. Washington Blvd. This location's mailboxes have recently been upgraded to a more theft-deterrent design. I would suggest any mail with checks or important documents be dropped off at the post office boxes or inside the post office. Please do not think that we are not affected by these thefts. There have been several reports of this type of theft in our city. One such incident involved checks and important documents that can and probably will be used for identity theft. Empty envelopes were found in someone's yard and thankfully they notified the sender so that he could take steps to mitigate the situation and notify law enforcement about the theft. If you must use your personal mailbox, please do not leave items overnight and place them in the mailbox just before mail delivery. Protect yourselves! The bad guys are always trying to steal your money, so be vigilant.

There are no major holidays in August, but all month is Don't Be a Bully Month. A great reminder especially before the children return to school later in the month, please talk with your children about bullying and not just the physical type. Let them know about verbal, emotional, and cyberbullying as well. Let them know to speak out when they see it or experience it. After a recent trip to a restaurant where I witnessed a grown woman treating restaurant staff very poorly, I would encourage each of us to look into the mirror and make sure we are not participating in this horrible practice.

Finally, if you haven't had a chance to attend a food truck event at Barker Park, I would encourage you to try it. There is plenty of fun to be had. Be on the lookout for more events, food, and fun at the park. A special thanks to our Recreation Director Cindy and Council Member Urry for putting these events together.

Once again, thanks for caring, thanks for all you do, and thanks for being good neighbors. I am committed to doing whatever it takes to ensure that we remain the best place to not only grow up, but the best place to grow old.

VOTING

Pleasant View City will not be holding a Primary Election. (A *Primary Election* would be needed if we had more than double the candidates for the number of seats open).

Pleasant View City has (3) three City Council seats open with (5) five candidates running for those seats. **The General Election will be held November 21st.**

A REMINDER FROM THE PUBLIC WORKS DEPARTMENT

It's landscaping season, and there are a lot of landscaping materials in the roadway around the city. This is not only a storm water issue, but also a traffic safety hazard to have such material in the roadway. Pleasant View City spends time and money to keep the streets in compliance with federal and state storm water standards. Please help us keep sediment out of the storm water system. Storm events and excess sprinkler runoff will carry sediment and other materials into the storm drain grates which creates problems within our system. Thank you in advance for your cooperation and compliance. Remember, We all live downstream. Only rain in the drain.

BACK TO SCHOOL

Reminder that school starts August 23rd this year. Please slow down and watch for children crossing the street when driving.

PLEASANT VIEW IS HOSTING A 9TH-12TH GRADE CO-ED SOFTBALL LEAGUE!

Games will be Tuesday, Wednesday, or Thursday evenings beginning late August through early October at the Pleasant View North field.

Fee: \$25/ includes 8 games- no jersey

Registration closes August 31st- tell your friends!

Teams will be CO-ED and staffed by only one umpire to help facilitate the game. There will be no coaches assigned or official practices scheduled. A team captain will be selected to be responsible for equipment and provide a batting lineup. The goal of this league is to provide an active outlet for teens. In the event there are not enough registrants to create full teams, this will become a "Show-up and Play League" where teams will be created among those present by the umpire and a game will be played. If you choose not to participate when this is determined, contact PV Rec and a full refund of your registration fee will be issued.

PICKLEBALL SUPPORTERS

Pleasant View is constructing a 9-court pickleball tournament complex.

A sizable RAMP grant along with generous donations from businesses and residents in our community have raised \$805,077.67.

Additional funding of \$150,389 is needed. PVPA is accepting tax-exempt donations of any size to support this exciting initiative.
