MAYOR'S MESSAGE

November is over and I have found plenty to be thankful for. Construction along the 2700 North corridor is finally beginning, and we are working to try and bring even more commercial enterprises to our city. Pleasant View, in partnership with Farr West, was successful in our application to WACOG for receiving a grant of over five million dollars to construct some additional roadways within our industrial park along Parkland Blvd. This grant, along with participation from developers, should fully fund the much-needed roadways and allow for further business development in the area. Development in this area of the city brings a great source of tax revenue with low impact to our infrastructure.

Hopefully, you took the time to exercise your right to cast your vote in last month's election. This is such an important right that each of us have, and I sincerely hope that you took advantage of this right to let your voice be heard.

I would like to take this opportunity to thank the many people that volunteer their services to our community. I especially want to thank those that are serving on our Planning Commission and Board of Adjustments. These are difficult positions to be in at times and they are excellent at hearing the issues and making good, sensible decisions. Volunteers such as these and many others that serve our community indeed make a difference.

As we approach this holiday season, I would like to repeat a message that I sent out last year. Let us remember that we are all in this together. There is someone out there that needs a helping hand, maybe help with Christmas for their family or help with a holiday meal. Maybe it's as simple as a visit and the gift of your time and caring for a family member or friend that needs the reassurance that they are not alone or forgotten. We can each bring happiness and joy to someone in need. Reach out and be there for them, not only this holiday season but throughout the year. It's a good message and I hope you take it to heart. Thanks for all you do and will do.

Thanks for caring, thanks for sharing, and thanks for being good neighbors. I am committed to doing whatever it takes to ensure that Pleasant View remains the best place to not only grow up, but the best place to grow old.

Remember, from November 15 through March 15, it is unlawful for any person to park a motor vehicle, recreational vehicle, trailer, any other vehicle, or object of any kind, on any public street or right of way while snow plows are operating or while streets are snow or ice covered. It is also unlawful to throw snow into the street.

The plows need to be able to do their job and clear the streets. Citations may be issued for failure to comply with these important safety regulations. Thank you for your cooperation.

SHOUT OUT

Thank you to the Tri City Exchange with Mike Larson for providing all of this amazing food for the mayor, city council, youth city council, PV staff, and community members to help deliver to residents in our community!

We really have such a great community, and we are so appreciative to those businesses and individuals who provide opportunities to help serve others. Thank you so much!
