**Business:**

**1. Fiber Optics Open House – Discussion regarding a fiber optics proposal to bring fiber optics infrastructure to the entire community, topics including anticipated uses of technology and costs to residents and the city as an entity.**

Mayor Call welcomed those in attendance. The city council set up a committee to study bringing fiber to the city. Councilmember Arrington and Councilmember Marriott were tasked with this assignment and they have come up with a recommendation. This is the next step. The city council has not met on this and there will be future workshops and no decision has been made. After this open session the meeting will break up into groups.

Councilmember Marriott and Councilmember Arrington gave a presentation (attached). They introduced that members of their committee. There will be questionnaires to fill out and later they will be sent out to you on social media. There is also a station where you can dot a map on whether fiber is a yes, maybe, or no for you. After this presentation the meeting broke-out into different stations for Q&A sessions.

**Adjournment: 7:44 P.M.**
