1. Work Session with Mayor Call and City Council members.

Mayor Call: there is an Open and Public Meetings Training at Marriott-Slaterville City Hall on January 30th and an agenda will be posted for that meeting. The councilmembers can also do an online training with a test at the end of the training. If you do the online training bring in your certification to Laurie Hellstrom. At the next meeting we will appoint a mayor pro-tem and I have asked Councilmember Burns if he would accept. We will need to replace a member on the planning commission. Danielle Jeppson is stepping down. A budget outline will be created and see if it will work with all the councilmembers. Complaints and compliance was discussed. The ability for the public to report on the website needs to happen. The assignments of the council was discussed and accepted by each member (see attachment). Bill Cobabe showed a site plan for the old shop that is not structurally sound. We have an official report from a structural engineer. It is not worth retro-fitting. CM Chugg: I would like to see a plan that meets the business needs. Laurie Hellstrom: where is the money coming from? Mayor Call: if it is unsafe the building needs to be vacated or torn down. Bill Cobabe: we will get more information. Mayor Call discussed concerns that were rumored and asked if the council had any other concerns.

Adjournment: 6:00 PM
