CERT News

Start the New Year off right! On your empty 2019 calendar, write "CERT Training, 6:30 pm" on the first Thursday of January, February, March and May. Write it on the second Thursday in April. Then, on those days come to the Pleasant View City office Building basement for fun, hands-on training that can help you survive and help others when disaster strikes. It will take just 15 hours out of the 8760 in 2019—a small sacrifice for the valuable skills you will learn. If you can't make it to all of the classes, come anyway. There will be opportunities for make-up.

Please Note...

- ♦ Winter parking rules are now in effect. Please help keep the streets clear of vehicles so the snow plows can clear our streets in a safe, timely manner.
- ♦ Pineview Water has closed the Canal Trail due to some construction work that's underway. Please stay off the trail until the closed signs are removed sometime next year.
- ♦ Be aware of your mountainous surroundings and possible wild animals such as cougars.

NVSC Senior Board Opportunity

The North View Senior Center is looking for a representative from Pleasant View City to serve on their board. This group helps decide activities and more for seniors in Pleasant View and North Ogden. If you're interested, please contact Zella at (801) 782-6211 for more information and/or to apply.

The Senior Center has some nice prizes to give away with a raffle they're currently holding for the holidays. Raffle tickets are \$1.00/each and can be purchased at the Senior Center located at 495 E 2600 N in North Ogden (behind the library)
