Water Meters

Due to the winter weather, water meter readings will be estimated through next month. When your meter is physically read again in March, any over or under estimations will work themselves out at that time. Thank you!

Annual Licensing

Please remember to renew your business and/or dog licenses before late fees begin to accrue. You should have received a reminder with a renewal notice for any animals and/or businesses that were licensed last year. Please call the City Offices with any questions you may have. Business license late fees begin on February 15, 2019 and dog license late fees begin on March 1, 2019. Thank you for your prompt attention.

January Recycling Calendar

Please see the calendar below for the recycling weeks in January 2019. Recycling will be picked up on the highlighted week. You can always find the annual calendar on our website or stop in the office for a paper copy.
