## Burn Permits

You can now apply for a burn permit from the Utah State Department of Environmental Quality.

There are three ways to complete the open burn permit application:

- Internet—The open burn permit application can be completed online. Completing this form online is the easiest and fastest way to complete the open burn permit application. An electronic copy of the application is automatically submitted to the county or municipal fire authority upon completion.
- Telephone—An applicant can call the DAQ at 801-536-4000 and complete the open burn permit application process over the phone. A DAQ inspector will ask the applicant for the required information and complete the application in just a few minutes.
- Mail—A hard copy of the application may be completed and submitted by mail to DAQ for electronic processing. To request a hard copy of the open burn permit application, contact DAQ by phone at 801-536-4000.

Note: It may take up to 14 days from the date of request to receive an open burn permit if a hard copy is submitted for processing.

Call (801) 536-4000 or visit <http://air.utah.gov/OpenBurning/form/index.php> to complete an application.

### Reminder from the Storm Water Department

It's Spring and many homes have begun landscaping their yards. With the onset of good weather, the Storm Water Department would like to remind you to be responsible. Please keep all material out of the roads and gutters as it can potentially contaminate our storm water system.

Thank you for your help with this important issue.
