Vehicle Burglaries

Pleasant View, as well as other surrounding communities, are having a lot of night time vehicle burglaries. On one night in the southwest part of the city there was one car stolen and 7 others unlawfully entered. Property stolen includes purses, wallets, firearms, money, computers and credit cards. PVPD has home security footage of a suspects vehicle stopping in a neighborhood. Within 2 minutes, several suspects exit this vehicle and enter or break into unlocked vehicles stealing various items. They are also finding garage remote controls in the outside vehicles, opening the garages then stealing vehicles and items from the secured garages. If they can open your garage, they may also have access to your house. One suspect in the video is seen carrying a weapon. **Please LOCK AND SECURE YOUR VEHICLES AND GARAGES.** Do not leave garage door remotes or valuables in outside vehicles. We are making this way to profitable for the bad guys. Outdoor lighting is also helpful. Please report any suspicious activity to Pleasant View Police at 801-629-8221 or 911.

Dumping Materials

Remember, it is unlawful to dump anything (garbage, green waste, or any other debris) onto property that you don't own.

Please keep in mind that someone owns every lot, whether it's empty or not. Not only is it inconsiderate to use vacant land as a dumping area, it is also a crime and could result in fines.

Let's work together to keep Pleasant View beautiful.
