## New PVPD K-9 Officer Fundraiser

Pleasant View Police Department had to retire our police K9 dog due to health related problems from her job as a police dog. The K9 program has been very successful with illegal narcotics detection and criminal suspect apprehension. We would like this program to continue. To purchase a new dog and put it through training is expensive. We have located a 2 yr. old dog that would work very well for our needs and the residents of Pleasant View. We have started a fundraiser to help pay for or offset the costs of the new dog. We are hoping to raise funds for this project during the month of September. If you would like to donate to this fund you can send your donations to Pleasant View City K9 fund at the Pleasant View city office 520 W Elberta Dr. Pleasant View UT 84414. There is a softball tournament fundraiser as well as the Pleasant View City Youth Council from Weber High working on this worthy cause. Any donations would be appreciated.
