2. The City Administrator may hear complaints and make corrections of any assessments, established in this fee policy and resolution which are alleged to be incorrect, illegal, unequal, or unjust.
3. The City Administrator may temporarily, if he/she sees fit, adjust, assess, or rebate all or any part of a fee established in this Resolution for fees schedule. Any adjustment of fees will be a one-time only exception. However, this fee waiver/rebate process specifically excludes development and impact fees.
4. The City Administrator can only adjust fees which are less than 3 months old.
5. The City Administrator or designee shall have the authority to waive utility charges up to \$100.
6. If a fee has been assessed to the City as a direct result of the applicant's negligence, inattention, etc., the fee will not be eligible for an appeal. (Example: If a utility payment check is returned to the City for insufficient funds, and the City's bank imposes a fee on the City for processing that returned check, and in turn the City passes that fee along to the user account, that fee isn't eligible for refund.)
7. The appeal shall be filed with the City within thirty (30) business days of the user or customer receiving their billing statement.
8. Appeals shall be submitted **in writing** to the City Administrator, and include at a minimum:
